

“Rather than  
preaching  
And playing the  
wise man  
It is far better  
To drink some sake  
And give away for  
drunken tears”

– Otomo no Tabito

Our mission is to spread the gospel about Japanese beverages. For us to be able to give you the most out of the experience, the team at IMA will create flights.

**Genshu / Sake Junmai Ginjo 純米吟醸**  
Kinoshita Brewery, Kyoto, JPN.  
Rice polishing ratio 60%

The flavour shifts as freshly pressed sake morphs into mature sake and makes this blend full bodied with a taste of chestnuts, mushrooms and steamed rice. "3U" means un-charcoal filtered, undiluted and unpasteurized. Here, we offer the chance to taste the unpolished, raw material of freshly pressed, untreated sake.
